BARBERING COURSE OVERVIEW

Course Hours: 1000 clock hours

The course is divided into pre-clinical classroom instruction and clinical service learning experiences.

- **Pre-clinical Classroom Instruction:** The first 210 hours are devoted to classroom workshops where students learn design principles, technical information, and professional practices.
- **Clinic Classroom Learning Experience:** The remaining hours are spent in the clinic area where practical experience is gained.
- **Distance Education Learning Experience:** A student enrolled in a program with distance education may earn up to 50% of the program's total clock hours through distance education.

BARBERING COURSE OUTLINE

Your time at Paul Mitchell The School Sacramento for the barbering program will be divided into six designations:

- **Core Curriculum:** A 210-hour orientation, known as the Core program, instills the basic fundamentals. Students are graded and evaluated using written, oral, and practical testing methods. Students must successfully complete the Core curriculum prior to attending regularly scheduled daily classes in cutting, coloring, permanent waving, and chemical texture services. If enrolled in the hybrid program, up to 80 of these hours will be via distance education.
- **Protégé Learning Experience:** Your experience as a Protégé produces a smooth transition from Core student to Adaptive student. You spend 35 hours (day student) and 45 hours (night student) as a Protégé preparing you for the clinic classroom. If enrolled in the hybrid program, up to 15 of these hours will be via distance education.
- **Clinic Classroom Learning Experience:** Your clinic time from 245 (day student) and 255 (night student) to 1000 hours will be guided with individual attention and group learning experiences using mini-classes, monthly worksheets, and periodic evaluations developed specifically for this monitoring progress. This is when you begin experiencing your clinic classroom education on paying clients in the clinic classroom.

- **Classroom Learning Experience:** Your classroom time from 245 (day student) and 255 (night student) to 1000 hours is divided into four (4) areas: cutting, coloring, texture, and men's grooming. Each area has an instructor in the field who conducts the different specialty classes three times a week; these may include guest artists, retail, motivation, self-improvement, nail artistry, makeup, etc. Classroom Learning Experiences may also include retail, motivation, self improvement, professional development, and attendance education which may be conducted by an instructor, non-licensed staff member or guest artist. Your classroom time from 245 (day student) and 255 (night student) to 500 hours is divided into four (4) areas: cutting, coloring, texture, and men's grooming. Each area has a specialist in the field who conducts the different elective classes once a week; these may include guest artists, retail, motivation, self-improvement, nail artistry, makeup, etc.
- **Adaptive Curriculum:** From 245 (day student) and 255 (night student) to 600 hours you will enter a new phase of elective classroom workshops coupled with challenging practical services designed to continue building you into a confident designer. If enrolled in the hybrid program, up to 180 of these hours will be via distance education.
- **Creative Curriculum:** You will spend your last 600 hours at Paul Mitchell The School Sacramento in "high gear" by dressing, acting, and working like a true professional. You will use your own artistic and creative abilities, coupled with the assistance of the Learning Leaders, to prepare yourself for your future beauty industry career. If enrolled in the hybrid program, up to 180 of these hours will be via distance education.

BARBERING PROGRAM TESTING AND GRADING PROCEDURE

The following tests and grading procedures are used to assess student learning and mastery of course content in the 1000-hour course:

1. **Academic theory exams:** Students must receive a grade of 70% or higher on each assigned theory exam.
2. **Core written and practical skills evaluation test:** Students must receive a grade of 75% or higher on each written exam and each practical skill exam in order to complete the Core program. The exams are an overview of instruction taught during the Core schedule. All Core written and practical skill exams must be passed with a 75% in order to transition to the Clinic Classroom. If students are unable to pass each exam after two attempts, the student may be asked to withdraw from the program and re-enroll in the next available Core class start date.
3. **Final exam 1:** This test covers an overview of all related cosmetology subjects (e.g., anatomy, chemistry, etc.). Students must receive a grade of 75% or higher on all final exams.
4. **Final exam 2:** The written exam covers an overview of all theory instruction, California state law, and other items covered on the state barbering exam. Students must receive a grade of 75% or higher on all final exams.
5. **Clinic Practical Skill Assessments:** Future Professionals' progress in practical skill assessments and theory hours will be digitally monitored on a weekly basis by the Future Professional Advisor using the MyPortico app. All assigned practical skill assessments must be completed in order to complete the program.
6. **Distance education assessments:** Students must complete a distance education written assessment and practical skill assessment. These are based on performance and must be completed on-campus each month. The distance education assessment will focus on the distance education subjects covered during that time period. Students must receive a grade of 75% or higher on each distance education written assessment and each practical skill assessment. Only students enrolled in the distance education program are required to complete these assessments.
7. **Distance education assignments:** The institution will respond to student's submission of lessons, projects and or evaluations the next business day.
