IN-COMPLETES, WITHDRAWAL, OR REPETITIONS

If the student needs to take off more time than allotted and was not eligible or not approved for a Leave of Absence, the student must drop and reenroll when ready to return. If a student is ***absent for more than 14 consecutive calendar days***, the student may be dropped from the program. Students who withdraw, been granted a Leave of Absence or were terminated prior to completing the course of study, who wish to reenter, will reenter at the same progress status as applicable at the time of withdrawal.
